ADI MIDLA

JAVA & DSA | SOFTWARE DEVELOPMENT

+91 7909784785|adimidlaofficial@gmail.com|github.com/adimidla20|linkedin.com/in/adi-midla

PROFESSIONAL SUMMARY

Third-year B.Tech Computer Science and Engineering student specializing in Gaming Technology at VIT Bhopal University. Dedicated to backend software engineering with a strong focus on **Java, and Data Structures & Algorithms (DSA)**. Experienced in building Python APIs, structuring databases, and engineering physics simulations. Actively strengthening algorithmic problem-solving fundamentals and seeking an internship to apply modern software development principles in a professional environment.

EDUCATION

Vellore Institute of Technology (VIT) University, Bhopal **2024 – 2028**

B.Tech – Computer Science and Engineering (Gaming Technology)

- **Relevant Coursework:** Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Web Technologies, Operating Systems.

TECHNICAL SKILLS

Programming Languages:	Java, Python, C++, C#, HTML
Core Competencies:	Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Backend Development
Frameworks & Tools:	FastAPI, Unity Game Engine, Git, GitHub, OpenCV, VS Code, Figma

PROJECTS

ExamScannerAI **Python, FastAPI, OpenCV, Tesseract OCR**

- Built a FastAPI backend to efficiently process and organize incoming document image data.
- Integrated OpenCV for image preprocessing and Tesseract OCR to extract structured text from raw exam papers.

Game Physics & Mechanics Engine Simulations **C#, Unity Engine**

- Programmed 2D/3D Unity physics simulations emphasizing rigid body collisions and vector mathematics.
- Authored C# scripts for procedural object arrangement, camera tracking logic, and gameplay control loops.

LEADERSHIP & EXPERIENCE

Core Member — Finance & Sponsorship Team **Dec 2025 – Present**

Entrepreneurship Cell (E-Cell), VIT Bhopal University

- Drive corporate sponsorship outreach and market research, successfully securing technical and lifestyle partnerships for the campus-wide E-Summit.
- Assist with budgeting, financial planning, and cross-functional team coordination to support student startup and innovation initiatives.

CERTIFICATIONS & EXTRACURRICULARS

- **National Entrepreneurship Challenge (NEC) — College Team:** Participated as part of the VIT Bhopal college team, achieving a Top 30 position nationally.
- **Google Cloud Arcade Program (Cohort 1):** Successfully completed the cloud learning program (Apr–Jun 2025), gaining hands-on exposure to GCP services, basic deployments, and cloud-native application solutions.
